Dear June-

Well honey at last I got a letter from you. It surely did surprise me too. Because I had about decided you were not going to write. I don't know what could have happened to the letter you sent. Any way honey girl I did get the lost one. And I surely am glad. How are you little girl? You didn't say a word about yourself. And I surely do want to know how you are. I have been here a month tomorrow. Worked this week don't know if it will be any longer or not. Been working on a sandwich counter at the Hamburger. See honey I have been thinking of you lots. Wondering where and how you are. Stayed in Fulton two days after you left. Was I lonesome. Honey I'll say I was. That old flat was like a tomb. Was in Chicago two weeks

I kept looking for you. But some how  
I had a feeling that I wouldn't see you.  
See honey sweetheart I sure do miss you  
you really are a wonderful girl and I  
felt kinda like I had known you always.  
Are you staying at Cooper for a while honey  
Do you have any idea I could get anything  
to do there? I surely would like to come  
on and see you. You know honey how  
I used to put my arms around you and  
kiss you. I mustn't think about it. It makes  
me feel bad. Because I can't do it tonight.  
I know I wasn't very good company but  
honey I really did enjoy a conversation  
with you. Did you have a nice fourth?  
I hope you did. I worked until 3 a.m.  
on the 5th. But then I really didn't mind  
as there was no one here whom I cared  
to go around with for a good time.  
It has been terribly hot here 111° and 112°

temperatures. So you may know it really

Dolores. Do you want to place your baby in a good home where he will have the right environment and a chance in life.

I need \$50,000. For that sum I would take your baby and raise him. I am well qualified having three children of my own. I am 35 years old.

We are well respected & well known in our community for that reason I do not want any publicity whatsoever in connection with my offer. If you consider this proposition correspond with me through the personal column of the Kans. City Star by addressing me "Marie"

Chas. McGee

If you can wait O K. with us. You people shot a lot of curves trying to get somebody killed then the copper's will be heroes but Eddie will be the martyr. The copper's think that's great but Eddie don't.

Were done taking the draws and you can go fuck yourself now. From now on you make the contact. Better not try it till you pull off every copper, newspaper, and radio station. From now on you get the silent treatment until you reach us somehow yourself. Better not wait too long.

I am twenty six years old, five feet, nine inches tall and weigh one hundred and sixty pounds. I have light brown hair and blue eyes and am of French descent. I don't happen to have a picture of myself right now, but will have some taken as soon as I get home. I am a very good swimmer and like to sail, go to town and will also go on fishing trips and on horse rides.

Now for a little bit about my job. I am a clerk in the office of the United States Customs and Border Protection. I have been working for the government for about five years. I like my job very much and I am very proud of it. I am also a member of the American Association of Customs and Border Protection.
